To Preface this Intro I just wanted to say that the Zionist Jew Kike Gang Stalkers who are Annoying, Monologue, Passive-Aggressive, Narcissistic all day, you literally just want to kill them as a TI, and we all know that Aiding and Abetting Someone's Suicide is Protect by Free Speech of The First Amendment of the United States Constitution also Archived to the US National Archives, Suicide is okay, only Religious Dogma is stopping people from suicide, Many Spirits in the Astral are 20, 30, 40, 50, 60, 70 and so on and like their youthfulness and attractiveness as they committed suicide at those ages and preserved their youthfulness, suicide is perfectly okay to do, USA is behind the times, Europe already has Assisted Suicide, this shit is all BS started by Martians, Freemasons, Jews, Zionists, The Talmud and Torah of Shit ... ; We will Footer This with What Happens When Humans Die : What Happens When You Die #flushyourmeds ... ; Scott A. Barry is an Atheist Holocaust Denier Dunce ... ; What happens when you die? I'm gonna keep it short and simple and to the point. When humans die they become telepathic ghosts. As soon as humans die they become telepathic ghosts. After that they become various other telepathic beings. As soon as humans die they become telepathic ghosts. As soon as humans die they become psychic ghosts.

**When humans die they become telepathic ghosts.
When humans die they become psychic ghosts.
Nothing New. Nothing Special. To the point.
Religion is a Mind Control Cult started by The
Martians, God is not real, Got is imaginary,
and when you die you are a telepathic ghost.
When humans die they become telepathic ghosts.
That is all I have. God is not real, Satan is not real.
Heaven and Hell are not real, Angels and Demons
are not real. That is what happens, you leave your
body as a human and you become a Telepathic Ghost.
